Thanks. Btw, Jane has reviewed, and is fine with it – but knows that participation of the public has to be cleared in OPA.

Nancy – can we talk about CEC today? CEC has cleared at the program lead level on attached announcement, which characterizes public involvement. There are several very good options of press/social media which we can finalize later, but the public nature of the CEC (which is normal for CEC council mtgs), needs your review right away.

Thanks! Martin

Nancy and Robert, here is an update for our conversation on CEC. I'm here today and tomorrow to discuss.

As you see, these docs are also going to Sarah for her consideration. I understand that she plans to share with Kelsi. Martin

Mark,

Following up on our briefing, Sarah asked me for a one pager to immerse Kelly in CEC Council Session and consider/develop/clear comms plans. Attached is a one pager, updated press opps list and updated Council Program that I plan to provide in coordination with Martin in response to Sarah's inquiry.

Any comments?

Thank you Luis, there is no rush on this. Just wanted to help Kelsi get up to speed on the CEC. I hope everything goes well in Puerto Rico.

Hi Sarah. Ex. 6 - Personal Privacy I'm in touch with Lisa. Someone from my team can lift from past scene- setters or my other documents and collate a quick one-pager.

Luis

Martin and Luis –

I am getting Kelsi up to speed on the CEC. Do we have a one-pager or a briefing paper already prepared that she can review to get a sense of the history and program?

Thank you!
